INFORMATION DISCLOSURE STATEMENT [IDS]

Honorable Commissioner of Patents and Trademarks
P.O. Box 1450
Alexandria, VA 22313-1450

Sir :

This Information Disclosure Statement is submitted in accordance with 37 CFR §§1.97, 1.98, and it is requested that the information set forth in this statement and in the listed documents be considered during the pendency of the above-identified application, and any other application relying on the filing date of the above-identified application or cross-referencing it as a related application.

[X] 1. This IDS should be considered, in accordance with 37 CFR §1.97, as it is filed within three months of the filing date of the above-identified Request for Continued Examination (RCE).

[X] 2. In accordance with 37 CFR §1.98, this IDS includes a list (e.g., form PTO/SB/08A) of all patents, publications, or other information submitted for consideration

by the office, either incorporated into this IDS or as an attachment hereto. A copy of each document listed is attached.

[X] A. Documents AL-AO are U.S. patents and/or published applications. 37 CFR §1.98(a)(2)(ii) does not require the filing of legible copies of U.S. patents or U.S. patent application publications unless required by the Office.

[X] 3. Document AP is not in the English language. In accordance with §1.98(a)(3), Applicant(s) states:

[X] An English translation of each document AP (or of the pertinent portions thereof), or a copy of each corresponding English-language patent or application, or English-language abstract (or claim) is enclosed. If a corresponding patent or application is being relied on, a line connecting the non-English-language document with its corresponding English-language document is drawn in the margin of the accompanying form PTO/SB/08a

[X] 4. No explanation of relevance is necessary for documents in the English language (see reply to Comments 67 and 68 in the preamble to the final rules; 1135 OG 13 at 20).

[X] 5. Other information being provided for the examiner's consideration follows:

Applicant also submits herewith a duplicate clean copy of page 1 of the PTO form SB/08A filed with the application on December 5, 2001, which page 1 of the PTO form SB/08A (ref. AA-AD) has not been initialed by the examiner so that the record will show that the references have been considered by the PTO. **Applicant respectfully requests the PTO to return the initialed PTO form SB/08A in this regard.**

A certified copy applicant's priority application IL 140817 filed January 9, 2001, was filed in

the parent application 09/766,668 on July 13, 2001.
Accordingly, Applicant respectfully requests the PTO to
acknowledge receipt of applicant's papers filed under
§119

6. In accordance with 37 CFR §§1.97(g) and (h),
the filing of this IDS should not be construed as a
representation that a search has been made or that information
cited is, or is considered to be, material to patentability as
defined in §1.56 (b), or that any cited document listed or
attached is (or constitutes) prior art. Unless otherwise
indicated, the date of publication indicated for an item is
taken from the face of the item and Applicant(s) reserves the
right to prove that the date of publication is in fact
different.

Respectfully submitted,

BROWDY AND NEIMARK
Attorneys for Applicant(s)
